

# THIS JUNE, VOTE YES ON N FOR MILLBRAE STUDENTS

Vote YES on N so Millbrae students receive the high-quality education they deserve.

Millbrae School District provides an outstanding education to our elementary and middle school students. Thanks to dedicated teachers and rigorous academic programs at Green Hills, Lomita Park, Meadows, Spring Valley and Taylor Middle School, our students go on to excel in high school and college.

Millbrae schools, however, are among the lowest funded in San Mateo County. Our schools need stable, locally-controlled funding to protect strong academic programs and keep great teachers in our classrooms. That is why Measure N is so important.

Measure N will protect our excellent schools and help teachers provide 21st-century instruction in science, technology, engineering and math. Our global economy has higher standards than ever before, and Millbrae students need a strong academic foundation that prepares them to compete and succeed.

Measure N requires local control and accountability. All funds will stay in our community and directly support local classrooms.
